Summer School

The school district may conduct a summer school program to provide additional educational opportunities for students who need remedial instruction and/or to enrich students' educational experiences. Students who successfully complete classes offered through the district's summer school program will earn credit toward high school graduation. Students will be allowed to substitute a summer-school grade for a failing grade earned during the regular school year. Students who take summer school courses to replace a passing grade may not use the summer school course to advance their class rank.
