

# Policy 2123 – Appointment of All Employees

The Superintendent shall make recommendations for appointment, promotion, demotion, and discharge of all school employees. No vacancy will be filled without the Superintendent's recommendation. The Superintendent shall annually prepare a list of all principals, supervisors, and teachers who are to be recommended for re-election and shall supply the Board with complete information concerning the fitness of each one for the promotion for which he or she is recommended and the desirability for continuing such a person as an employee.
