

Policy 4132.2: Employee Indemnification for Emergency Protocol

The Board understands that employees may be reluctant to undertake the task of administering the Emergency Protocol due to the potential threat of personal liability. Accordingly, it shall be the policy of this District to indemnify and hold harmless those employees who take actions in accordance with and pursuant to the Emergency Protocol. This indemnification shall be secondary to and not replace any insurance coverage applicable to any claim against the employee. To receive such indemnification, the Board of Education shall, by majority vote of the quorum of the Board, determine that the employee had completed the training to administer the Emergency Protocol, did not intentionally fail to follow the Emergency Protocol or was not grossly negligent in the administration of the Emergency Protocol, and acted in good faith and in a manner which the employee reasonably believed to be in or not opposed to the best interests of the school district.
