

Policy 4132: Blood Borne Pathogen Policy

It shall be the policy of Dawson County School District 11 to adopt an Exposure Control Plan for the purpose of eliminating or minimizing employee exposure to job related risks associated with blood borne pathogens. It is the further purpose of this policy to provide a legal and structural framework in which the administration shall develop procedures and practice for purposes such as, but not limited to, identifying employees with occupational exposure risks from blood borne pathogens, informing such employees of such risks, informing such employees of their rights, implementing methods of record keeping, and implementing practices to minimize or eliminate where possible, risks to employees from blood borne pathogens. "Employee" will mean an employee of Dawson County School District 11 or a student teacher assigned to and under the supervision of Dawson County School District 11.
