

Policy 5012.1: Compulsory Attendance

Any child who will reach six years of age prior to January 1 of the current year and who has not reached eighteen years of age shall meet the requirements of mandatory school attendance. Any such child shall attend the academic program on a regular basis, unless a written request to drop the child from the school rolls is made by the parent, guardian or other person having charge, control or custody of the child.

Any child of mandatory attendance age must by law regularly attend a public, private, denominational, parochial school or a combination of such schools not less than the entire school term of the school(s) which the child attends. This does not apply to a child who has obtained a high school diploma or received a General Equivalency Diploma, completed the program of instruction offered by a non-accredited or non-approved school, has reached the age of 18, or who is at least 16 years old and whose parent or guardian has signed a notarized release discontinuing the enrollment of the child.

Excusal from the "full time" requirement of the compulsory education law can be granted by the superintendent for a child between 14 and 16 years of age having completed the work of the eighth grade when legal employment due to necessity has been obtained by the student and such a request has been made by a parent/guardian.

Withdrawal to Age 6

The parent/guardian of any child who will not reach six years of age prior to January 1 of the current school year and who is enrolled, may discontinue that enrollment according to procedures provided by the district.

Minimum Age

The district will not admit any child into kindergarten unless

1. the child will reach the age of five years on or before October 15 of the current year (on or before July 31 of the current year beginning with the 2012-13 school year) , or
2. the child will reach the age of five years by February 1 of the current year (October 15 of the current year beginning with the 2012-13 school year), and;
 - a. the parent provides an affidavit stating that the child attended kindergarten in another district, or
 - b. the family will be relocating to another district that allows admission within the current year, or
 - c. the child has demonstrated through recognized assessment procedures approved by the board his/her capability of carrying the work of the beginner grade are selected on the basis of testing by professionals trained and certified to administer the assessments that will produce evidence of strength in:
 - i. mental ability defined as scoring 84th percentile or above on a standardized assessment of cognitive ability such as the Wechsler Pre Primary Scale of Intelligence III, or the Stanford-Binet V;
 - ii. a test of emotional/social development such as the Behavior Assessment System for Children, Second Edition (BASC-2);

- iii. 75th percentile or greater on a test of pre academic skills such as the Woodcock Johnson III; and a test of fine motor ability, scoring 75th percentile or above on a standardized measurement such as the Beery VMI.

In the discretion of the Superintendent or designee, the assessments may be administered by the School District's professional staff, or the parents or guardians may be required, at their own expense, to have all or some of the required assessments completed by reputable professionals and to submit the results of such assessments to the School District.

The decision regarding early entrance to kindergarten requires careful consideration of all factors that affect kindergarten success with final determination to be made based on the recommendation of the District Evaluation Team, to be composed of such individuals as the Superintendent or designee determine appropriate. The academic, social, and emotional readiness, as well as the student's physical development and well-being, must be weighed with institutional factors also considered. Sound decision making in the area of early entrance to kindergarten is dependent upon reliable information regarding a student's readiness and a thoughtful balancing of the myriad of factors implicated by the decision. Parents will be notified in writing of the results of the Early Kindergarten Entrance assessment and the determination of the District Evaluation Team in a timely fashion; not to exceed three weeks after the assessments are completed.

Families who seek early admission of their child into kindergarten must obtain an Early Entrance to Kindergarten Packet from the School District Administrative.

Parents must fill out the early entrance application forms, which include a parent questionnaire and obtain and attach a Parents must provide a reference letter from someone who is well acquainted with the child but not a relative of the child. The person providing this reference should know the child well enough that they can speak with some expertise about the child's attributes and abilities. The reference letter should indicate whether this person recommends the child be schooled with children who will be a year older than the child and, if so, the evidence this person has concerning the child's mental ability, fine and gross motor ability, visual and auditory discrimination, emotional/social development, and communication skills. Suggestions for this reference letter are a preschool teacher, a Sunday school teacher, a day-care provider, or a physician.

The assessment request, reference letter and parent questionnaire must be completed and returned to the District no later than May 25th of the spring before fall enrollment to allow summer assessment to be completed.

Decisions regarding early kindergarten entrance must include consideration of the above and shall not be made based on race, color, gender, religion, ancestry, national origin, marital status, age, disability, or sexual orientation of the child or the child's parents or guardians. Institutional factors, such as capacity, may also be considered.
