

Policy 5135.5: Student Due Process Rights

Student complaints and grievances regarding board policy or administrative regulations and other matters should be addressed to the student's specific teacher, activity sponsor, or other certified employee, other than the administration, for resolution of the complaint. It is the goal of the board to resolve student complaints at the lowest organizational level.

All students will be afforded due process as guaranteed by constitutional provisions. The process will be in accordance with state law, as well as with the provisions outlined in the Board's policies and procedures on student suspension and student expulsion. Rules for student conduct and appeal procedures will also be published in the student handbook.

If the complaint cannot be resolved by a certified employee, the student may discuss the matter with the principal within five days of the certified employee's decision. If the matter cannot be resolved by the principal, the student may discuss it with the superintendent within five days after speaking with the principal.

If the matter is not satisfactorily resolved by the superintendent, the student may ask to have the matter placed on the board agenda of the next regularly scheduled school board meeting in compliance with board policy.
