PROCEDURE

92 NAC 51-006.02 General Evaluation Requirements

92 NAC 51-006.02A The screening of a child by a teacher or specialist to determine appropriate instructional strategies for curriculum implementation shall not be considered to be an evaluation for eligibility for special education and related services.

92 NAC 51-006.02B Consistent with the consent requirements in 92 NAC 51-009.08A a parent of a child, the Nebraska Department of Education, another State agency or a local school district or approved cooperative or a nonpublic school may initiate a request for an initial evaluation to determine if the child is a child with a disability.

92 NAC 51-006.02B1 The resident school district or approved cooperative shall conduct a full and individual initial evaluation for each child being considered for special education and related services before the initial provision of special education and related services to a child with A disability.

The initial evaluation shall determine whether a child is a child with a disability, and the educational needs of the child.

92 NAC 51-006.02B1a In implementing the requirements of 92 NAC 51-006.02B the school district or approved cooperative shall ensure that:

92 NAC 51-006.02B1a(1) The evaluation is conducted in accordance with the procedures described in Section 006 of this Chapter.

92 NAC 51-006.02B1a(2) The results of the evaluation are used by the child's IEP team in meeting the requirements of Section 007 of this Chapter.

92 NAC 51-006.02C Verification criteria and procedures:

92 NAC 51-006.02C1 School districts and approved cooperatives must ensure assessments and other evaluation materials used to assess a child under this Chapter;

92 NAC 51-006.02C1a Are selected and administered so as not to be discriminatory on a racial or cultural basis; and

92 NAC 51-006.02C1b Are provided and administered in the child's native language or other mode of communication and in the form most likely to yield accurate information on what the child knows and can do academically, developmentally and functionally, unless it is clearly not feasible to-, so provide or administer;

92 NAC 51-006.02C2 Are used for purposes for which the assessments or measures are valid and reliable.

92 NAC 51-006.02C3 School districts and approved cooperatives must ensure assessments of children with disabilities who transfer from one school or approved cooperative to another school or approved cooperative in the same academic year are coordinated with such children's prior and subsequent schools, as necessary and as expeditiously as possible, to ensure prompt completion of full evaluations.

92 NAC 51-006.02C4 School districts and approved cooperatives must ensure materials and procedures used to assess a child with limited English proficiency are selected and administered to ensure that they measure the extent to which the child has a disability and needs special education, rather than measuring the child's English language skills.

92 NAC 51-006.02C5 School districts and approved cooperatives must ensure a variety of assessment tools and strategies are used to gather relevant functional, developmental and academic information about the child, including information provided by the parent, and information related to enabling the child to be involved in and progress in the general education curriculum (or for a preschool child, to participate in appropriate activities), that may assist in determining:

92 NAC 51-006.02C5a Whether the child is a child with a disability under 92 NAC 51-003.08; and

92 NAC 51-006.02C5b The content of the child's IEP.

92 NAC 51-006.02C6 School districts and approved cooperatives must ensure any standardized tests that are given to a child:

92 NAC 51-006.02C6a Have been validated for the specific purpose for which they are used; and

92 NAC 51-006.02C6b Are administered by trained and

knowledgeable personnel in accordance with any instructions provided by the producer of the assessments.

92 NAC 51-006.02C6b(i) If an assessment is not conducted under standard conditions, a description of the extent to which it varied from standard conditions (e.g., the qualifications of the person administering the test, or the method of the test administration) must be included in the evaluation report.

92 NAC 51-006.02C7 School districts and approved cooperatives must ensure tests and other evaluation materials include those tailored to assess specific areas of educational need and not merely those that are designed to provide a single general intelligence quotient.

92 NAC 51-006.02C8 School districts and approved cooperatives must ensure tests are selected and administered so as best to ensure that if a test is administered to a child with impaired sensory, manual, or speaking skills, the test results accurately reflect the child's aptitude or achievement level or whatever other factors the test purports to measure, rather than reflecting the child's impaired sensory, manual, or speaking skills (unless those skills are the factors that the test purports to measure).

92 NAC 51-006.02C9 School districts and approved cooperatives must ensure no single measure or assessment is used as the sole criterion for determining whether a child is a child with a disability and for determining an appropriate educational program for the child.

92 NAC 51-006.02C10 School districts and approved cooperatives must ensure the child is assessed in all areas related to the suspected disability, including, if appropriate, health, vision, hearing, social and emotional status, general intelligence, academic performance, communicative status, and motor abilities.

92 NAC 51-006.02C11 School districts and approved cooperatives must ensure in evaluating each child with a disability under Section 006, the evaluation is sufficiently comprehensive to identify all of the child's special education and related services needs, whether or not commonly linked to the disability category in which the child has been classified.

92 NAC 51-006.02C12 The school district or approved cooperative must use technically sound instruments that may assess the relative contribution of cognitive and behavioral factors, in addition to physical or developmental factors.

92 NAC 51-006.02C13 The school district or approved cooperative must use assessment tools and strategies that provide relevant information that directly assists persons in determining the educational needs of the child.

92 NAC 51-006.02C14 In interpreting evaluation data for the purpose of determining if a child is a child with a disability and the educational needs of the child, each school district or approved cooperative shall:

92 NAC 51-006.02C14a Draw upon information from a variety of sources, including aptitude and achievement tests, parent input, teacher recommendations, physical condition, social or cultural background, and adaptive behavior; and

92 NAC 51-006.02C14b Ensure that information obtained from all of these sources is documented and carefully considered.

92 NAC 51-006.03 Multidisciplinary Evaluation Team (MDT) Requirements

92 NAC 51-006.03A The multidisciplinary evaluation team (including the child's parents) shall be responsible for the analysis, assessment and documentation of educational and developmental abilities and needs of each child referred for the purpose of individual evaluation. Using the documentation collected and the verification criteria found in Section 006 of this Chapter and the definition found in 92 NAC 51-006.04, the MDT shall make all verification decisions. Documented information shall be collected to facilitate the development of a statement of present level of development and educational performance on the IEP.

92 NAC 51-006.03F2a Whether the child has a specific learning disability based on the criteria and definition contained in 92 NAC 51-006.04K.

92 NAC 51-006.03F2b The child's educational needs;

92 NAC 51-006.03F2c The basis for making the determination including an assurance that the determination was made in accordance with 92 NAC 51- 006.02C14;

92 NAC 51-006.03F2d The relevant behavior if any, noted during the observation of the child; and the relationship of that behavior to the child's academic functioning;

92 NAC 51-006.05A A school district or approved cooperative shall ensure that a reevaluation of each child with a disability is conducted in accordance with the verification procedures in Section 006 of this Chapter:

92 NAC 51-006.05A1 if the school district or approved cooperative determines that the educational or related services needs, including improved academic achievement and functional performance, or the child warrant a reevaluation; or

92 NAC 51-006.05B A reevaluation conducted under subsection 006.05 of this Chapter:

92 NAC 51-006.06B The school district or approved cooperative shall administer such assessments and other evaluation measures as may be needed to produce the data identified by the IEP team under 92 NAC 51-006.06A2.

92 NAC 51-006.06C The IEP team and other qualified professionals may conduct its review without a meeting.

92 NAC 51-006.06D If the IEP team and other qualified professionals, as appropriate, determine that no additional data are needed to determine whether the child continues to be a child with a disability and to determine the child's educational needs the school district or approved cooperative:

For a child whose eligibility terminates under these circumstances, a school district or approved cooperative shall provide the child with a summary of the child's academic achievement and functional performance, which shall include recommendations on how to assist the child in meeting the child's postsecondary goals.

RE-EVALUATION

PERSON(S) RESPONSIBLE: IEP members and other qualified professionals

TIMELINE: This process should begin well before the three year re-evaluation date and be timed so that the review of existing evaluation data can be accomplished during the IEP meeting.

MATERIALS: Parent Notice and Consent for Re-evaluation Form, Parent Rights Pamphlet, existing evaluation data, "Notice That No Additional Information Is Needed to Determine Continued Eligibility for Special Education" Form

METHODS:

1. IEP Team meets to review information available and decides on the nature of the re-evaluation. Parents are a part of the IEP Team, and therefore are part of the meeting.
2. If the IEP Team determines that no additional information is required to determine continued eligibility for special education, the IEP Team documents the decision on the "Notice That No Additional Information is Needed to Determine Continued Eligibility for Special Education Services Form". Parents should receive a copy of the form within 10 school days of the meeting. Parents may request that a comprehensive reevaluation be conducted even if the members of the IEP Team disagree.

The parents will receive a Parents Rights Pamphlet, a request for Consent to Re-evaluate 10 school days prior to the reevaluation date. After the reevaluation is conducted, parents will be contacted to attend the MDT meeting to determine continued eligibility for special education and related services. After the reevaluation the MDT report is written by participating team members. Parents will receive a copy of the written report within 15 school days.
4. If reevaluation results in removing a disability verification, an MDT report is completed indicating that the child no longer qualifies. When the removal of a disability verification results in a dismissal from a special education program, the MDT report shall indicate the same. A copy of the report shall be placed in the student's record and parents shall be afforded all rights under Rule 51 to assist the student in transitioning back to general education.
5. Student Assistance Team (SAT) references should be completed to assist the student in transitioning back to general education.

PROCEDURE

92 NAC 51-006.07C A parent is entitled to only one independent educational evaluation at public expense each time the school district or approved cooperative conducts an evaluation with which the parent disagrees.

92 NAC 51-006.07C1 Public expense means that the school district or approved cooperative either pays for the full cost of the evaluation or ensures that the evaluation is otherwise provided at no cost to the parent.

92 NAC 51-006.07D If a parent requests an independent educational evaluation at public expense, the school district or approved cooperative must, without unnecessary delay, either:

92 NAC 51-006.07D1 Initiate a hearing under 92 NAC 55 to show that its evaluation is appropriate; or

92 NAC 51-006.07D2 Ensure that an independent educational evaluation is provided at public expense, unless the school district or approved cooperative demonstrates at a hearing under 92 NAC 55 that the evaluation obtained by the parent did not meet school district or approved cooperative criteria.

92 NAC 51-006.07E If the school district or approved cooperative initiates a hearing and the final decision is that the school districts or approved cooperative's evaluation is appropriate the parent still has the right to an independent educational evaluation, but not at public expense.

92 NAC 51-006.07F If a parent requests an independent educational evaluation, the school district or approved cooperative may ask for the parent's reason why he or she objects to the public evaluation. However, the school district or approved agency may not require the parent to provide an explanation and may not unreasonably delay either providing the independent educational evaluation at public expense or initiating a due process hearing to defend the public evaluation.

92 NAC 51-006.07G If the parent obtains an independent educational evaluation at public expense or shares with the school district or approved cooperative an evaluation obtained at private expense, the results of the evaluation:

92 NAC 51-006.07G1 Must be considered by the school district or approved cooperative, if it meets school district or approved cooperative criteria, in any decision made with respect to the provision of a free appropriate public education to the child; and

92 NAC 51-006.07G2 May be presented by any party as evidence at a hearing under 92 NAC 55 regarding that child.

92 NAC 51-006.07H If a hearing officer requests an independent educational evaluation as part of a hearing, the cost of the evaluation must be at public expense.

92 NAC 51-006.07I If an independent educational evaluation is at public expense, the criteria under which the evaluation is obtained, including the location of the evaluation and the qualifications of the examiner, must be the same as the criteria that the school district or approved cooperative uses when it initiates an evaluation, to the extent those criteria are consistent with the parent's right to an independent educational evaluation.

92 NAC 51-006.07J Except for the criteria described in 92 NAC 51-006.07I, a school district or approved cooperative may not impose conditions or timelines related to obtaining an independent educational evaluation at public expense.

INDEPENDENT EDUCATION EVALUATION

PERSON(S) RESPONSIBLE: Special Education Director, Special Education Teachers, Superintendent, Principal

TIMELINE: The district will respond to a request for an Independent Educational Evaluation within 30 days. In the case where the district approves the request for an Independent Educational Evaluation, they will provide parents with the list of the district's criteria for selecting an evaluator and a list of independent evaluators within 30 days.

MATERIALS: District criteria for selecting evaluator, list of independent evaluators, notice of approving request for an Independent Educational Evaluation or notice that district is not approving and filing for a hearing under 92 NAC 55.

METHODS: The parent will be requested to document the request through a written statement to the Director of Special Education.

The written request should contain:

1. Parental objections to the results of the district's educational evaluation;
2. Reference to the specific type(s) of evaluation requested; and
3. Consent of the parent(s)/guardian to release the personally identifiable confidential results of the evaluation to the school district.

If the decision is that an independent educational evaluation is appropriate, the parent(s)/guardian will receive written authorization from the Director of Special Education within 30 days of the written request. The parent's failure to provide a written request does not eliminate their right to an Independent Educational Evaluation.

If the district refuses to provide an Independent Educational Evaluation, the district will provide the parents with a notice of their decision. The district must file a hearing under 92 NAC 55 to prove the appropriateness of their evaluation.

The qualifications of examiners will be in accordance with 92 NAC 51. Locations of any evaluator shall be within a reasonable distance of the school district. The district will provide the parent(s) with a list of qualified agencies/evaluators within the geographic area. The evaluators will be encouraged to have their rates approved by the Nebraska Department of Education to be authorized to conduct the evaluation(s).

The district will establish maximum allowable charges for each educational assessment. Maximum allowable charges for the assessment allows the parent(s) to select from among qualified and approved professionals which will eliminate unreasonable and/or excessive fees for services. The district will provide for the parent(s) the opportunity to demonstrate that unusual circumstances justify the need for an independent evaluation which is not designated by this procedure.

If the parent(s) obtains an independent evaluation without notifying the district, the district will not assume the financial responsibility for the evaluation if the district's evaluation is determined to be appropriate by the hearing officer appointed under 92 NAC 55.

POLICY

INDIVIDUALIZED EDUCATION PROGRAM

34 CFR 300.320 through 300.328

COZAD COMMUNITY SCHOOLS ENSURES THAT AN INDIVIDUALIZED EDUCATION PROGRAM (IEP) IS DEVELOPED, REVIEWED, AND REVISED FOR EACH CHILD WITH A DISABILITY IN ACCORDANCE WITH 92 NAC 51-007.

PROCEDURE

92 NAC 51-007 Individual Education Program (IEP)

92 NAC 51-007.01 An IEP shall be developed, reviewed, revised, and implemented for each child who receives special education and related services. In order to fulfill the requirements of 92 NAC 51-007.01 for infants and toddlers, school districts or approved cooperatives shall meet the requirements of 92 NAC 52. FAPE is provided to infants and toddlers with a disability in accordance with an IFSP, rather than an IEP. The requirements for contents of the IFSP apply rather than the requirements for the contents of an IEP. All other substantive rights and protections established under special education laws apply to infants and toddlers with disabilities receiving FAPE in accordance with an IFSP.

92 NAC 51-007.02 School districts or approved cooperatives must provide special education and related services to a child with a disability in accordance with the child's IEP

92 NAC 51-007.02A At the beginning of each school year, each school district shall have an IEP in effect for each child with a verified disability within its jurisdiction.

92 NAC 51-007.02A1 From the end of the school year in which a child reaches age 3, until the child's sixth birthday, the IEP team must consider an IFSP that contains the IFSP content (including the natural environments statement) described in 92 NAC 51-007.13B4b (including an educational component that promotes school readiness and incorporates pre-literacy, language, and numeracy skills for children with an IFSP who are at least three years of age), and that is developed in accordance with the IEP procedures. The IFSP may serve as the IEP of the child, if using the IFSP as the IEP is agreed to by the school district or approved cooperative and the child's parents.

92 NAC 51-007.02B Each school district or approved cooperative shall ensure that an IEP is in effect before special education and related services are provided to a child with a verified disability under this Chapter.

92 NAC 51-007.02C The child's IEP is accessible to each regular education teacher, special education teacher, related service provider, and other service provider who is responsible for its implementation; and

92 NAC 51-007.02D Each teacher and provider described in 92 NAC 51-007.02C must be informed of his or her specific responsibilities related to implementing the child's IEP; and the specific accommodations, modifications, and supports that must be provided for the child in accordance with the IEP.

92 NAC 51-007.03 IEP Team Participants

92 NAC 51-007.03A The school district or approved cooperative shall ensure and document that each IEP team includes the following:

92 NAC 51-007.03A1 The parents of a child with a disability or documentation of 92 NAC 51-007.06D;

92 NAC 51-007.03A2 Not less than one regular education teacher of the child (if the child is, or may be, participating in the regular education environment);

92 NAC 51-007.03A2a The regular education teacher of the child, as a member of the IEP team, shall, to the extent appropriate, participate in the development, review and revision of the IEP of the child, including assisting in the determination of appropriate positive behavioral interventions and supports, and other strategies, and the determination of supplementary aids and services, program modifications, and support for school personnel consistent with 92 NAC 51-007.07A5.

92 NAC 51-007.03A3 Not less than one special education teacher, or where appropriate, not less than one special education provider of the child;

92 NAC 51-007.03A4 A representative of the school district or approved cooperative who:

92 NAC 51-007.03A4a Is qualified to provide, or supervise the provision of, specially designed instruction to meet the unique needs of children with disabilities;

92 NAC 51-007.03A4b Is knowledgeable about the general education curriculum; and

92 NAC 51-007.03A4c Is knowledgeable about the availability of resources of the school district or approved cooperative;

92 NAC 51-007.03A4c(1) A school district or approved cooperative may designate another member of the IEP team to also serve as the school district or approved cooperative representative, if the criteria in 92 NAC 51- 007.03A4 are satisfied.

92 NAC 51-007.03A5 An individual who can interpret the instructional implications of evaluation results, who may be a member of the team described in 92 NAC 51-007.03A2 through 007.03A6;

92 NAC 51-007.03A6 At the discretion of the parent or the school district or approved cooperative, other individuals who have knowledge or special expertise regarding the child, including related services personnel as appropriate;

92 NAC 51-007.03A6a The determination of the knowledge or special expertise of any individual described in 92 NAC 51-007.03A6 shall be made by the party (parents or school district or approved cooperative) who invited the individual to be a member of the IEP.

92 NAC 51-007.03A7 Whenever appropriate, the child with a disability;

92 NAC 51-007.03A8 For a child attending a nonpublic school, a representative of the nonpublic schools the child attends. If the representative cannot attend, other methods shall be used to ensure participation by the nonpublic school, including individual or conference telephone calls;

92 NAC 51-007.03A9 For children receiving services from an approved service agency, a representative of the service agency. If the representative is not in attendance, other methods shall be used to ensure participation by the approved service agency, including written communication, or individual or conference telephone calls;

92 NAC 51-007.03A10 If the purpose of the meeting is to consider postsecondary goals for the child and the transition services needed to assist the child in reaching those goals:

92 NAC 51-007.03A10a The school district must invite the child;

92 NAC 51-007.03A10a(1) If the child does not attend the IEP meeting, the school district or approved cooperative shall take other steps to ensure that the child's preferences and interests are considered.

92 NAC 51-007.03A10b To the extent appropriate, with the consent of the parents or a child who has reached the age of majority, the school district or approved cooperative must invite a representative of any participating agency that is likely to be responsible for providing or paying for the transition services.

92 NAC 51-007.03A11 For a child verified in the category of hearing impaired, an educator endorsed to teach a child with hearing impairments.

92 NAC 51-007.03A12 For a child verified in the category of visual impairment, an educator endorsed to teach a child with visual impairments.

92 NAC 51-007.04 IEP Team Attendance

92 NAC 51-007.04A A member of the IEP Team described in 92 NAC 51-007.03A2 through 007.03A5 shall not be required to attend an IEP meeting, in whole or in part, if the parent of a child with a disability and the school district agree, in writing, that the attendance of such member is not necessary because the member's area of the curriculum or related services is not being modified or discussed in the meeting.

92 NAC 51-007.04B A member of the IEP Team in 92 NAC 51-007.04A may be excused from attending an IEP meeting, in whole or in part, when the meeting involves a modification to or discussion of the member's area of the curriculum or related services, if:

92 NAC 51-007.04B1 the parent, in writing, and the school district or approved cooperative consent to the excusal; and

92 NAC 51-007.04B2 the member submits, in writing to the parent and the IEP Team, input into the development of the IEP prior to the meeting.

92 NAC 51-007.05 In the case of a child who was previously served as an infant or toddler under Part C of the Individuals with Disabilities Education Act, an invitation to the initial IEP meeting shall, at the request of the parent, be sent to the Part C service coordinator or other representatives of the Part C system to assist with the smooth transition of services.

92 NAC 51-007.06 Parent Participation

92 NAC 51-007.06A The school district or approved cooperative shall take steps to ensure that one or both of the parents of the child with a disability are present at the IEP conference or are afforded the opportunity to participate, including:

92 NAC 51-007.06A1 Notifying parents of the IEP conference early enough to ensure that they will have an opportunity to attend; and

92 NAC 51-007.06A2 Scheduling the meeting at a mutually agreed on time and place.

92 NAC 51-007.06B The notification under 92 NAC 51-007.06A1 must indicate the purpose, time and location of the meeting and who will be in attendance and inform the parents of the provisions of 92 NAC 51-007.03A6, 007.03A6a and 007.05.

92 NAC 51-007.06B1 For a child with a disability beginning not later than the first IEP to be in effect when the child turns 16, or younger if determined appropriate by the IEP Team, the notice also must:

92 NAC 51-007.06B1a Indicate that a purpose of the meeting will be the consideration of the postsecondary goals and transition services for the child in accordance with 92 NAC 51-007.07A9; and

92 NAC 51-007.06B1b Indicate that the school district will invite the child to the meeting; and

92 NAC 51-007.06B1c Identify any other agency that will be invited to send a representative.

92 NAC 51-007.06C If neither parent can attend the IEP meeting, the school district or approved cooperative shall use other methods to ensure parent participation, including individual or conference telephone calls consistent with 92 NAC 51-007.09H (related to alternate means of meeting participation).

92 NAC 51-007.06D A meeting may be conducted without a parent in attendance if the school district or approved cooperative is unable to convince the parents they should attend. In this case, the district must keep a record of its attempts to arrange a mutually agreed on time and place such as:

92 NAC 51-007.06D1 Detailed records of telephone calls made or attempted and the results of the calls;

92 NAC 51-007.06D2 Copies of correspondence sent to the parents and any responses received; and

92 NAC 51-007.06D3 Detailed records of visits made to the parent's home or place of employment and the results of those visits.

92 NAC 51-007.06E The school district or approved cooperative shall take whatever action is necessary to ensure that the parent understands the proceedings of an IEP conference, including arranging for an interpreter for parents who are deaf or whose native language is other than English.

IEP MEETING

PERSON(S) RESPONSIBLE: Director of Special Education, IEP Case Manager, Special Education Staff

PROCEDURE

92 NAC 51-007.07 IEP Development

92 NAC 51-007.07A The IEP shall include:

92 NAC 51-007.07A1 A statement of the child's present levels of academic achievement and functional performance, including:

92 NAC 51-007.07A1a How the child's disability affects the child's involvement in and progress in the general education curriculum (i.e., the same curriculum as for nondisabled children); or

92 NAC 51-007.07A1b For preschool children, as appropriate, how the disability affects the child's participation in appropriate activities.

92 NAC 51-007.07A2 A statement of measurable annual goals, including academic and functional goals, designed to:

92 NAC 51-007.07A2a Meet the child's needs that result from the child's disability to enable the child to be involved in and make progress in the general education curriculum; or for preschool children, as appropriate, to participate in appropriate activities, and

92 NAC 51-007.07A2b Meet each of the child's other educational needs that result from the child's disability;

92 NAC 51-007.07A3 For children with disabilities who take alternate assessments aligned to alternate achievement standards, a description of benchmarks or short-term objectives;

92 NAC 51-007.07A4 A description of how the child's progress toward meeting the annual goals described in 92 NAC 51-007.07A2 will be measured and when periodic reports on the progress the child is making toward meeting the annual goals (such as through the use of quarterly or other periodic reports, concurrent with the issuance of report cards) will be provided;

92 NAC 51-007.07A5 A statement of the special education and related services and supplementary aids and services based on peer-reviewed research to the extent practicable, to be provided to the child, or on behalf of the child, and a statement of the program modifications or supports for school personnel that will be provided to enable the child:

92 NAC 51-007.07A5a To advance appropriately toward attaining the annual goals;

92 NAC 51-007.07A5b To be involved in and progress in the general education curriculum and to participate in extracurricular and other nonacademic activities; and

92 NAC 51-007.07A5c To be educated and participate with other children with disabilities and nondisabled children in the activities described in 92 NAC 51-007.07A5;

92 NAC 51-007.07A6 An explanation of the extent, if any, to which the child will not participate with nondisabled children in the regular class and in the activities described in 92 NAC 51-007.07A5;

92 NAC 51-007.07A7 A statement of any individual appropriate accommodations that are necessary to measure the academic achievement and functional performance of the child on state and district-wide assessments; and if the IEP team determines that the child must take an alternate assessment instead of a particular regular state or district-wide assessment of student achievement, a statement of why:

92 NAC 51-007.07A7a The child cannot participate in the regular assessment; and

92 NAC 51-007.07A7b The particular alternate assessment selected is appropriate for the child; and

92 NAC 51-007.07A8 The projected date for the beginning of the services and modifications described in 92 NAC 51-007.07A5 and the anticipated frequency, location, and duration of those services and modifications;

92 NAC 51-007.07A9 Beginning not later than the first IEP to be in effect when the child turns 16, or younger if deemed appropriate by the IEP team, and updated annually thereafter:

92 NAC 51-007.07A9a Appropriate measurable postsecondary goals based upon age appropriate transition assessments related to training, education, employment, and, where appropriate, independent living skills; and

92 NAC 51-007.07A9b The transition services (including courses of study) needed to assist the child in reaching those goals; and

92 NAC 51-007.07A9c If a participating agency, other than the school district or approved cooperative fails to provide the transition services described in the IEP, the school district or approved cooperative shall reconvene the IEP Team to identify alternative strategies to meet the transition objectives for the child set out in the IEP.

92 NAC 51-007.07A9c(i) Nothing in this Chapter relieves any participating agency, including the State Division of Vocational Rehabilitation, of the responsibility to provide or pay for any transition service that the agency would otherwise provide to children with disabilities who meet the eligibility of that agency.

92 NAC 51-007.07A10 Nothing in this section shall be construed to require that additional information be included in a child's IEP beyond what is explicitly required in subsection 007.07A, or to require the IEP team to include information under one component of a child's IEP that is already contained in another component of such IEP.

92 NAC 51-007.07B In developing, reviewing or revising each child's IEP:

92 NAC 51-007.07B1 The IEP team shall consider the strengths of the child and the concerns of the parents for enhancing the education of their child.

92 NAC 51-007.07B2 The IEP team shall consider the results of the initial evaluation or most recent evaluation of the child, and the academic, developmental, and functional needs of the child.

92 NAC 51-007.07B3 In the case of a child whose behavior impedes his or her learning or that of others, the IEP team shall consider the use of positive behavioral interventions, and supports and other strategies to address that behavior.

92 NAC 51-007.07B4 In the case of a child with limited English proficiency, the IEP team shall consider the language needs of the child as those needs relate to the child's IEP.

92 NAC 51-007.07B5 In the case of a child who is blind or visually impaired, the IEP team shall provide for instruction in Braille and the use of Braille unless the IEP team determines, after an evaluation of the child's reading and writing skills, needs, and appropriate reading and writing media (including an evaluation of the child's future needs for instruction in Braille or the use of Braille), that instruction in Braille or the use of Braille is not appropriate for the child.

92 NAC 51-007.07B6 The IEP team shall consider the communication needs of the child, and in the case of a child who is deaf or hard of hearing, shall consider the child's language and communication needs, opportunities for direct communications with peers and professional personnel in the child's language and communication mode, academic level, and full range of needs, including opportunities for direct instruction in the child's language and communication mode.

92 NAC 51-007.07B7 The IEP team shall consider whether the child needs assistive technology devices and services.

92 NAC 51-007.07C Services

92 NAC 51-007.07C1 Routine checking of hearing aids and external components of surgically implanted medical devices.

92 NAC 51-007.07C1a Each school district and approved cooperative must ensure that hearing aids worn in school by children with hearing impairments, including deafness, are functioning properly.

92 NAC 51-007.07C1b Subject to 92 NAC 51-007.07C1b(1) each school district and approved cooperative must ensure that the external components of surgically implanted medical devices are functioning properly.

92 NAC 51-007.07C1b(1) For a child with a surgically implanted medical device who is receiving special education and related services under this chapter, a school district and approved cooperative is not responsible for the post-surgical maintenance, programming, or replacement of the medical device that has been surgically implanted (or of an external component of the surgically implanted medical device.)

92 NAC 51-007.07C2 Physical education services, specially designed if necessary, must be made available to every child with a verified disability receiving a free, appropriate public education, unless the school district or approved cooperative enrolls children without disabilities and does not provide physical education to children without disabilities in the same grades.

92 NAC 51-007.07C2a Each child with a verified disability must be afforded the opportunity to participate in the regular physical education program available to nondisabled children unless:

92 NAC 51-007.07C2a(1) The child is enrolled full time in a separate facility; or

92 NAC 51-007.07C2a(2) The child needs specially designed physical education as prescribed in the child's individualized education program.

92 NAC 51-007.07C2b If specially designed physical education is prescribed in a child's individualized education program, the school district or approved cooperative responsible for the education of that child shall provide the services directly, or make arrangements for it to be provided through other public or nonpublic programs.

92 NAC 51-007.07C2c The school district responsible for the education of a child with a verified disability who is enrolled in a separate facility shall ensure that the child receives appropriate physical education services.

92 NAC 51-007.07C3 Each school district shall ensure assistive technology devices or assistive technology services, or both, as defined in 92 NAC 51-003.02 and 003.03 are made available to any child with a disability if required, as part of the child's:

92 NAC 51-007.07C3a Special education under 92 NAC 51-003.56;

92 NAC 51-007.07C3b Related services under 92 NAC 51-003.49; or

92 NAC 51-007.07C3c Supplementary aids and services under 92 NAC 51-003.59 and 008.01A.

92 NAC 51-007.07C3d On a case by case basis, the use of school-purchased assistive technology devices in a child's home or in other settings is required if the child's IEP team determines that the child needs access to those devices in order to receive a free appropriate public education.

92 NAC 51-007.07C4 The school district or approved cooperative shall take steps including the provision of supplementary aids and services determined appropriate and necessary by the child's IEP Team to provide nonacademic and extracurricular services and activities in the manner necessary to afford each school age child with a verified disability an equal opportunity for participation in those services and activities.

92 NAC 51-007.07C4a Nonacademic and extra-curricular services and activities may include counseling services, athletics, transportation, health services recreational activities, special interest groups or clubs sponsored by the school district, referrals to agencies that provide assistance to individuals with disabilities and employment to students, including both employment by the school district or approved cooperative and assistance in making outside employment available.

92 NAC 51-007.07C5 Extended School Year Services (ESYS)

92 NAC 51-007.07C5a Each school district or approved cooperative shall ensure that extended school year services are available as necessary to provide a free appropriate public education consistent with 92 NAC 51- 007.07C5b.

92 NAC 51-007.07C5b Extended School Year (ESY) services must be provided only if a child's IEP team determines, on an individual basis, in accordance with Section 007, that the services are necessary for the provision of a free appropriate public education.

92 NAC 51-007.07C5c In implementing the requirements of this section, a school district or approved cooperative may not: limit extended school year services to particular categories of disability; or unilaterally limit the type, amount, or duration of those services.

92 NAC 51-007.07C6 The need for related services of an instructional nature shall be documented on the IEP or IFSP present level of performance, goals, and objectives, and shall be based on documented diagnostic evidence.

Determination of the need for a related service for a child with a verified disability does not require the additional verification of a secondary disability.

92 NAC 51-007.08 Programs for Children who Transfer School Districts or Approved Cooperatives

92 NAC 51-007.08A Transfer within the same state – If a child with a disability (who had an IEP that was in effect in a previous school district or approved cooperative in

Nebraska) transfers to a new school district or approved cooperative in Nebraska, and enrolls in a new school within the same school year, the new school district or approved cooperative (in consultation with the parents) must provide FAPE to the child (including services comparable to those described in the child's IEP from the previous school district or approved cooperative), until the new school district or approved cooperative either:

92 NAC 51-007.08A1 Adopts the child's IEP from the previous school district or approved cooperative; or

007.08A2 Develops, adopts, and implements a new IEP that meets the applicable requirements of 92 NAC 51-007.

007.08B Transfer from outside the state – If a child with a disability (who had an IEP that was in effect in a previous public agency in another State) transfers to a school district or approved cooperative in Nebraska, and enrolls in a new school within the same school year, the new school district or approved cooperative (in consultation with the parents) must provide the child with FAPE (including services comparable to those described in the child's IEP from the previous school district), until the new school district:

92 NAC 51-007.08B1 Conducts an evaluation pursuant to Section 006 of this Chapter (determined to be necessary by the new school district or approved cooperative; and

92 NAC 51-007.08B2 Develops, adopts, and implements a new IEP, if appropriate that meets the requirements of 92 NAC 51-007.

92 NAC 51-007.08C Transmittal of records –

92 NAC 51-007.08C1 To facilitate the transition for a child who transfers schools the new school in which the child enrolls shall take reasonable steps to promptly obtain the child's records, including the IEP and supporting documents and any other records relating to the provision of special education or related services to the child, from the previous school in which the child was enrolled, pursuant to Section 99.31(a)(2) of Title 34, Code of Federal Regulations.

The guidelines shall provide for accommodations and alternate assessments that:

92 NAC 51-004.05C1 Are aligned with the Nebraska Department of Education's challenging academic content standards and challenging student academic achievement standards; and

Alternate assessment will be determined by the IEP Team. Alternate assessments will be conducted to correspond with the timeline of state and district-wide assessment for each grade level.

POLICY

LEAST RESTRICTIVE ENVIRONMENT (34 CFR 300.114);

TO THE MAXIMUM EXTENT APPROPRIATE, CHILDREN WITH DISABILITIES, INCLUDING CHILDREN IN PUBLIC AND NONPUBLIC INSTITUTIONS OR OTHER CARE FACILITIES, ARE EDUCATED WITH CHILDREN WHO ARE NOT DISABLED, AND SPECIAL CLASSES, SEPARATE SCHOOLING, OR OTHER REMOVAL OF CHILDREN WITH DISABILITIES FROM THE REGULAR EDUCATION ENVIRONMENT OCCURS ONLY WHEN THE NATURE OR SEVERITY OF THE DISABILITY OF A CHILD IS SUCH THAT EDUCATION IN REGULAR CLASSES WITH THE USE OF SUPPLEMENTARY AIDS AND SERVICES CANNOT BE ACHIEVED SATISFACTORILY.

PROCEDURE

92 NAC 51-008 Placement of Children With Disabilities

92 NAC 51-008.01 Least Restrictive Environment (LRE) Requirements

92 NAC 51-008.01A The school district or approved cooperative shall establish policies and procedures to assure that, to the maximum extent appropriate, children with disabilities including children in public or nonpublic schools and approved service agencies are educated with children who are not disabled, and that special classes, separate schooling, or other removal of children with disabilities from the regular educational environment occurs only when the nature or severity of the disability is such that education in regular classes with the use of supplementary aids and services cannot be achieved satisfactorily.

92 NAC 51-008.01B Before any action is taken with respect to the initial placement of a child with disabilities, the school district or approved cooperative shall be responsible for the provision of a comprehensive individual multidisciplinary evaluation of the child's development and educational needs.

92 NAC 51-008.01C In determining the educational placement of a child with a disability, including a preschool child with a disability, school districts and approved cooperatives must ensure that:

92 NAC 51-008.01C1 The placement decision is made by a group of persons, including the parents and other persons knowledgeable about the child, the meaning of the evaluation data, and the placement options; and

92 NAC 51-008.01C2 The placement decision is made in conformity with the least restrictive environment requirements in 92 NAC 51- 008.01 and based on the child's unique needs and not on the child's disability.

92 NAC 51-008.01D Each school district or approved cooperative must ensure that a continuum of alternative placements is available to meet the needs of children with disabilities for special education and related services.

92 NAC 51-008.01D1 The continuum must;

92 NAC 51-008.01D1a Include instruction in regular classes, special classes, special schools, home instruction and instruction in hospitals and institutions; and

92 NAC 51-008.01D1b Make provision for supplementary services (such as resource or itinerant instruction) to be provided in conjunction with regular class placement.

92 NAC 51-008.01E The school district or approved cooperative shall ensure that the educational placement of a child with a verified disability:

92 NAC 51-008.01E1 Is determined at least annually;

92 NAC 51-008.01E2 Is based on his or her individualized education program (IEP); and

92 NAC 51-008.01E3 Is as close as possible to the child's home.

92 NAC 51-008.01F The various array of placement options included under 92 NAC 51-008.01D must be available to the extent necessary to implement the individualized education program for each child with a verified disability.

92 NAC 51-008.01G Unless a child's IEP or IFSP requires some other arrangement, the child must be educated in the school which he or she would attend if not disabled.

92 NAC 51-008.01H In selecting the least restrictive environment, consideration must be given to any potential harmful effect on the child or on the quality of services which he or she needs.

92 NAC 51-008.01I A child with a disability must not be removed from education in age-appropriate regular classrooms solely because of needed modifications in the general curriculum.

LEAST RESTRICTIVE ENVIRONMENT

PERSON(S) RESPONSIBLE: Director of Special Education and IEP Team

TIMELINE: Students will begin receiving special education and related services within 5 days of receipt of Parental Consent for Placement based upon the IEP/IFSP.

MATERIALS: IEP Form, Parental Notice and Consent for Initial Placement Form

METHODS: The IEP Team will consider all placement options prior to the placement of a student.

The placements may range from regular classroom instruction for the entire school day with modifications to the regular instructional program to other settings dictated by student needs. The district may also develop additional placement alternatives within the overall school program that are tailored to the needs of the individual student with disabilities. This placement may be developed by adapting or modifying existing placement alternatives based on the needs of the individual student with disabilities.

When making the placement decision the team shall:

1. Review and discuss past educational experiences;
2. Review current levels of educational performance;
3. Review current education needs as documented on the IEP; and
4. Review and formulate a preliminary configuration of special education and related service options.
5. Review and compare the options identified in (4) above with the need for LRE. To achieve this, the IEP Team will select the special education placement that allows for the implementation of the IEP while educating the student to the maximum extent appropriate with non-disabled peers. The team shall prepare written justification for the appropriate placement selected and document in writing why other options were not selected.

The district will provide written notice to parents and obtain written consent from parents prior to initial placement. If the district has made available an appropriate special education program in accordance with Rule 51 for a student with a disability, and the student's parents choose to

unilaterally place the child in a different setting, the district is not required to pay for the child's education in the alternative setting.

PROCEDURE

92 NAC 51-013 Contracted Programs

92 NAC 51-013.01 Special education programs and support services may be provided by contracting with another school district, approved cooperative, or with a Department of Education provisionally approved service provider. 92 NAC 51-013.02 The school district of residence or approved cooperative shall be responsible for the development and maintenance of the IEP, and the participation in all IEP meetings and shall assure that IEP meetings are arranged with the contracted program and the parents. 92 NAC 51-015.02C3 If prior to the parents removal of the child from the public school, the school district or approved cooperative informed the parents, through the notice requirements described in 92 NAC 51-009.05, of its intent to evaluate the child (including a statement of the purpose of the evaluation that was appropriate and reasonable), but the parents did not make the child available for such evaluation; or

92 NAC 51-015.02C4 Upon a judicial finding of unreasonableness with respect to actions taken by the parents.

92 NAC 51-015.02D Notwithstanding the notice requirement in 92 NAC 51-015.02C1 and 015.02C2, the cost of reimbursement:

92 NAC 51-015.02D1 Must not be reduced or denied for failure to provide the notice if:

92 NAC 51-015.02D1a The school district or approved cooperative prevented the parents from providing the notice;

92 NAC 51-015.02D1b The parents had not received notice, pursuant to 92 NAC 51-009.06 of the notice requirement in 92 NAC 51-015.02C1 and 015.02C2; or

92 NAC 51-015.02D1c Compliance with paragraph 92 NAC 51-015.02C1 and 015.02C2 would likely result in physical harm to the child; and

92 NAC 51-015.02D2 May, in the discretion of the court or a hearing officer, not be reduced or denied for failure to provide this notice if;

92 NAC 51-015.02D2a The parents are not literate or cannot write in English; or

92 NAC 51-015.02D2b Compliance with paragraph 92 NAC 51-015.02C1 and 015.02C2 of this section would likely result in serious emotional harm to the child.

92 NAC 51-009.13C Adjustments to the 30-day Resolution Period

92 NAC 51-009.13C1 The 45-day timeline for the due process hearing starts the day after one of the following events:

92 NAC 51-009.13C1a Both parties agree in writing to waive the resolution meeting;
